

## BOOSTER CLUB

### Reasons To Support the SHS Viking Band

Your support of the Spartanburg Viking Band is important to our community because:

Students who participate in band through their high school careers are more likely to graduate. They also perform higher academically. This statistic is true across gender, ethnic, and economic class (National Association of Music Educators, 2014) (Journal of Educational Psychology 2019).

The Spartanburg Viking Band needs your support because:

Spartanburg High School has a diverse population including over 63% of students living in poverty (SC Department of Education Report Card 2019). As a result, many of our students are not able to afford band fees, instruments or lessons.

Your contribution will be used to support various band groups within the Viking Band, including:

- Concert Bands
- Marching Band
- Jazz Band
- Colorguard/Winterguard

You will see these bands performing in various venues:

- Football games
- Concerts throughout the school year
- Community events, such as Jazz on the Square
- State Marching and Concert Band Competitions

The Viking Band invites you to become a sponsor. Funds will be used for the purchase and repair of instruments, offer instructional opportunities, and help provide the best possible band experience - from beginners to skilled musicians. 100% of your contribution goes directly towards supporting the band program and its students.

SHS Viking Band Booster Club is a 501(c)(3) tax-exempt, non-profit organization
